

Our Mini Floor Crane can lift up to 900kg

Key Features:

- ✓ Flexible sizing options
- ✓ Quick and easy to assemble
- ✓ Lightweight and compact design
- ✓ Simple manual operation
- ✓ Suitable for indoor and outdoor use
- ✓ Dismantle to fit into a small ute
- ✓ Can move and carry a range of materials
- ✓ Equipped with removable counterweights
- ✓ Oktopus units can be seamlessly attached
- ✓ Our electric winch makes an excellent add on
- ✓ Extra outriggers can be included for stability
- ✓ Wheels can be interchanged for all-terrain tyres

8 fold adjustable boom achieves increased range and helps with those more difficult to reach areas

The MFC can be easily converted to the MFC Ks for an even more compact model
